## Sales-by-drink Sunday license waiver

I hereby request the director of the Neighborhood and Community Services Department to waive the requirement that I furnish the annual gross receipts showing that my new business had annual gross receipts for the year immediately preceding the application for the sales-by-drink Sunday license was not less than \$150,000.00 of which at least \$60,000.00 of such gross receipts was in nonalcoholic sales. Although this is a new business, our projections (attached) show that our business will have annual gross receipts of not less than \$150,000.00 of which at least \$60,000.00 of such gross receipts will be in nonalcoholic sales.

I acknowledge that in order to maintain the sales-by-drink Sunday license, my business must generate annual gross receipts of not less than \$150,000.00 of which at least \$60,000.00 of such gross receipts will be in nonalcoholic sales.

I fully understand that the sales-by-drink Sunday license is subject to forfeiture should I fail to furnish the annual gross sales receipts as outlined above after I have been in business for 12 months. I also understand that I must show that the business continues to meet the annual gross receipts requirement every year and that I will be required to submit proof of the annual gross receipts when I renew my sales-by-drink Sunday license.
